Agenda Items:

Time	Item	Owner	Action
5:14pm	Welcome and Land Acknowledgement	Chelsea	
5:15pm	Ginelle Giacomini Presentation	Ginelle	Discussing plans for the CYC program in the future. Student retention and enrollment are increasing and are currently limited by room size at the college. Goal to add a second cohort. Highest indigenous student count found across all programs. Articulation agreements with Booth college and one in the works with the University of Manitoba. Simulation center being tested for bridging the gap between classroom learning and on the job experience. Microcredential currently in the works to improve supervision during practicums. The program is being noticed by college higher-ups.
5:34pm	Ratify minutes from April 2, 2025 AGM meeting	Chelsea	Unable to find them. Not ratified
5:35pm	President's Report a. 2025 Accomplishments b. Goals for 2026	Chelsea	● Free press article about CYCs in schools ● I am a CYC week project ● Adjusted CYCWAM award criteria and amount ● Building relationship with Child Protection Branch within the

			Government of Manitoba ● Partnership with MACCP Goals for 2026 include continuing with advocacy pieces on relevant issues, planning the 2027 provincial conference, hosting more lunch and learns, connecting with more people during CYC week, and re-organizing the by-laws and manuals so that positions are easily understandable.
	Financials c. Annual report d. Proposed ideas for 2026 budget	Craig	Community Builder: \$26,672.02 Community High Rate: \$19,269.51 GIC Account: \$5350.71 Membership fees: +\$2,700 Credit Interest: +\$23.51 Admin Costs: -\$3,249.39 Total decrease of \$525.88 Loss explained by national conference fees.
